Non-Contracted Insurance Providers

Below is a list of some of the most common non-contracted insurance providers with GPL. GPL will file an Out-of-Network claim for these policy-holders. The patient will be responsible for the appropriate up-front prepayment (see price list) along with any non-covered amounts (including deductibles or co-insurances). Call GPL for guidance if your specific insurance is not listed.

For any questions regarding insurance coverage, please call 913-341-8949 or 913-754-0459.

- Always call your insurance provider to confirm benefits as insurance coverage is subject to change.
- BCBS insurance is filed in the state where the referring physician's NPI is registered, or where the referring physician's NPI is located.
- Patients are responsible for any deductibles, copayments, cost shares, coinsurance, or balance if insurance company deems your lab work as a non-covered or medically unnecessary service.
